

To our loyal clients and friends...

Due to the developments of the Corona Virus, CDC and state regulations, Joe's Salon and Spa will be temporarily closed for service as of Wednesday 3/18/20 until further notice. Decisions like these are not easy for anyone, and we know the impact it will have on our clients as well as our staff.

We have, however, received approval from the CT Dept of Community and Economic Development to keep our business open with strict limitations. This will allow us to provide our clients with curbside service of color kits (to do root touch ups at home) as well as salon products. Please call ahead with your order and we will process it by credit card over the phone. Let us know when you would like to pick it up and we will bring it out "curbside" to you.

Our guidelines for this approval means no customers in store, curbside service only, and social distancing with any and all employees in the building.

All appointments through the first week of April were called. We will periodically contact each week there after as the closure remains in effect. We are keeping a list of any cancelled appointments and will reach out to those clients first when we are back up and running to reschedule their service.

We will periodically update our website, Facebook page and email list with any new developments.

We appreciate all the support for small businesses affected during this time. Visit the specials tab on our website for more details about all we are offering with color kits, discounted products, egifts and more.

If you would like to support us with an egift card, visit our website [joessalon.com](http://joessalon.com) and click on the gift card tab.

Choose the template for either salon or spa.

Purchase a gift card for \$100 and spend only \$85 using code SAVE

Purchase a gift card of \$250 or more and save 20% off the cost using code SAVEBIG

We will get through this together!
